

Remarks

The applicants thank the Examiner for conducting a telephone interview on September 13, 2004. The applicants respectfully request reconsideration in view of the foregoing amendments and following remarks.

In the June 16, 2004 final Office action, the Examiner stated that "the 'input' language is not found as per citation of the claims. The examiner would suggest amending said feature(s) to further narrow applicant's claimed invention." (Page 6.) The applicants have amended the currently pending claims 1-15 to include input language as suggested by the Examiner. Accordingly, the applicants submit that the pending claims 1-15 are in condition for allowance, and such allowance is respectfully requested. If the Examiner believes that another telephone interview will further prosecution of this application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
